

## OTM/TAG Faculty Review Panel Nominations

In order to ensure appropriate representation of Ohio public institutions of higher education, we are now accepting nominations for faculty to serve on a number of open OTM and TAG faculty review panels.

Once recommendations have been received, we will determine which recommendations/institutions will best complete each panel. If your nomination is accepted we will follow up with your institution and then with the nominated faculty member(s) with information on next steps.

### What we need from you:

Please nominate faculty from your institution to serve on these panels. This survey has been designed so that you will be able to enter your nomination for the TAG disciplines and OTM areas. Please have the following items ready prior to filling out this survey:

1. Name of Your Nominee
2. Job Title
3. Discipline
4. Area(s) of Expertise/Specialty
5. Phone Number
